RE: Additional Services for Miscellaneous Project Issues
Courthouse Square
Project No. 9828.26

Dear John:

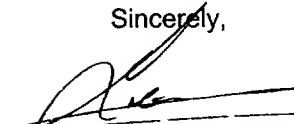

We are pleased to offer additional services for miscellaneous project issues defined as follows:

- ◆ Add door, frame and partition between Quiet Lounge 1170 and Break Room 1270.
- ◆ Provision for ice maker hook-up in Break Room 1270.
- ◆ Center transit wall crosswalk ADA ramp additions.
- ◆ Design "Vanilla Shell" for police substation.
- ◆ Design "Vanilla Shell" plus four single accessible restrooms for the retail space on the ground floor.

We are prepared to provide services required to implement the above issues, including preparation of drawings and construction administration. Reimbursables (printing, faxing, etc.) are not included in the above fee and will be billed in addition to this fee. Thank you for letting us be of assistance to you in this matter.
